

# CLEARLY CLASSIC BY WHITE WEBB

## AKBAR TABLE

The proportions of the Akbar table are wider and lower than the Tangier or the very popular Alexander, while the pointed and deeply scalloped arch gives it a bolder presence. Either on its own or paired with others, this table is the perfect spot to place a frosty Martini or a cup of rich Turkish coffee.

Dimensions: Made of ½" acrylic, the table measures 16" w x 16" d x 18" h.

Available at a **DONGHIA** showroom near you.
