

# CLEARLY CLASSIC BY WHITE WEBB

## AMARA TABLE

Reminiscent of the sculptural chiefs' stools found in Nigeria, Cameroon and other parts of sub-Saharan Africa, the Amara table exudes the elegance and grace of its African namesake. Thanks to its many curves, the table positively sparkles like a jewel, making for the perfect chair-side accessory.

Dimensions: Made of ½" acrylic, the table measures 14" diameter x 24"h.

Available at a **DONGHIA** showroom near you.
