

CLEARLY CLASSIC BY WHITE WEBB

CLEO TABLE

Like a graceful animal in motion, the Cleo table is inspired by ancient Egyptian designs, which often honored the sacred cat and other animals of distinction. Rendered in acrylic, it takes on a more modern, playful tone, somewhat reminiscent of the forms that John Dickinson created for his iconic plaster furniture from the 1970's.

Dimensions: Made of $\frac{3}{4}$ " acrylic, the table measures 12" w x 24" d x 24" h.

Available at a **DONGHIA** showroom near you.
