

CLEARLY CLASSIC BY WHITE WEBB

GLACIA TABLE

Cool, calm and collected, the Glacia table conveys the power and presence of the glittering icicles that inspired its design. Accentuated by beveled edges, the table reflects and refracts light in a dazzling array, much like the sun on the icy peaks of Mt. Kilimanjaro.

Dimensions: Made of $\frac{3}{4}$ " acrylic, the table measures 12" diameter x 24"h.
